Mr. G. T. Collier,
Edison, Ga.

Dear Mr. Collier;

Several months ago Prof. J. D. Smith brought me a list of your family, stating that you were descendants, or had brothers by the name of Greene, Lamar, and Burree. I would appreciate you giving me all of the interesting data possible, as I am quite sure that you are descendants of Vines Collier, who came from Virginia to Georgia in 1780, and Isaac Collier, Vines' father, who died in Brunswick County, Virginia, in 1770.

Kindly give me the name of your father; your brothers; your sisters; your uncles; your aunts; your grandfather; your grandfather's brothers; your great-grandfather; and your great-grandfather's brothers.

I ask for all of this for the reason that I am getting up some data on the Collier family for the last 500 years. I am a descendant of Isaac Collier, who came from England to Virginia in the year 1737.

With usual kind regards, I beg to remain

Yours most respectfully,

JCC:S
